

Master's Degree of Advanced Studies in our Academy of Judicial Ethics for International Human Rights - A.J.E.I.H.R

Master's Degree of Advanced Studies in Ethics Judicial, Ethics in Emergency Medicine & Ethics in International Diplomacy (60 ECTS credits) is a one-year postgraduate degree - Geneva - Switzerland

Academic year – October 1, 2020 – July 31, 2021

Our master's programmes are taught by highly experienced academics and practitioners from around the world.

Their priority is to create an intense and dynamic learning environment.

Tutorials given by teaching assistants allow students to revise and discuss key concepts and issues presented during the course.

Guest speakers [UN] and external experts [WHO] are regularly invited to share their practical experience and discuss cutting-edge challenges with students.

It is designed for young professionals who want to acquire high-level academic education and real-world practice in the field of in Ethics Judicial, Ethics in Emergency Medicine & Ethics in International Diplomacy (60 ECTS credits) is a one-year postgraduate degree - Geneva - Switzerland

We often collaborate with universities, research centres and (international) organisations located abroad, both inside and outside the EU.

In order to provide our educational services, the A.J.E.I.H.R is in charge of extensive record keeping on student affairs.

(This includes, for example, informing and recruiting prospective students, tailoring our communication and information feeds towards interested prospective students based on their preferences in order to improve their choice of studies and our services, managing internal and external information flows; registering study results; issuing certificates, diplomas, qualifications and degrees; concluding contracts with students; formulating policy on education matters; developing and writing policy and management reports in the context of accreditation demands; being able to provide advice, guidance, and

counselling; settling disputes, providing training and education in medical studies; ensuring procedural justice in the election of members for participatory bodies etc.)

– Practical work at the Geneva Justice Court, Swiss Federal Court in Lausanne & Switzerland Cantonal Courts ;

– Seminars with UN independent experts and UN rapporteurs ;

– Practical courses with our external collaborators from certain areas of interest, such as medical experts, forensic specialists, civil protection, Red Cross representatives, etc.

In order to complete the Program, the student must pass all the required examinations and also draft and submit a traditional research dissertation paper. – View dissertation requirements [here](#).
